

Computing

We will develop our understanding of a range of tools used for digital painting. We will then use these tools to create our own digital paintings, taking inspiration from a range of artists' work.

Maths

- Addition and subtraction facts to 20
- Read and write calculations using addition (+), subtraction (-) and equals (=) signs.
- Add and subtract one digit numbers to 20, including zero.
- Describe 2D and 3D shapes
- Count to 0-20 and back and say one more or less within that range.
- Solve one step problems that involve addition and subtraction.

PE

Indoor- Dance - Heros dance unit and Drumba
Outdoor- Ball skills

PE days

Mondays- indoor

Thursday - Outdoor

Please remove earrings on Mondays and Thursdays

English

- This term we will develop our phonics daily, learning new sounds and working on reading and writing Tricky Words.
- We will develop writing opportunities through book-inspired activities. We will focus on using capital letters for proper nouns and the pronoun 'I', finger spaces between words and full stops at the end of sentences.
- Writing genres will include: non-fiction facts, descriptive writing, and recounts.

Year 1
Autumn 2 2026

Toys

RE

- *Who is a Christian and what do they believe?*
- Describe simply some Christian beliefs about God and why God is important to Christian people.
- Describe some Christian beliefs about Jesus.
- Think about the Bible and stories from the Bible and how they influence Christians.

Toys Topic

This term, we will compare toys from past and present:

- To identify similarities and differences between toy now and in the past and how we live
- To understand how we can find out about the past.

We will look at the materials of toys:

- To identify and name a variety of everyday materials, including wood, plastic, glass, water and rock.
- To describe the simple physical properties of a variety of everyday materials.
- To compare and group together a variety of everyday materials on the basis of their physical properties.

PHSE

Our topic this term is: Connecting with others.
We will think carefully about:

- What makes me special?
- How friends and families show love and care.
- How we can have a kind and friendly class.
- How we should behave towards others.
