Caspers operates on a pre-booking system for both our breakfast club and our after-school club. Booking forms are made available every half term. Once completed and returned to the school office your child will be booked in & payment is then required to secure your child's place. We are a cashless school, so all payments are to be made via our school Gateway app. Please note that we Do accept payment via childcare vouchers. If paying by voucher, please provide a copy of your receipt to the school office and your account will be credited.

We do offer a facility to book on the day sessions for both breakfast and after school, these bookings may incur an additional fee as outlined in our Terms and Conditions.

BREAKFAST CLUB

Breakfast club runs every morning, term time only, from 7.35-8.40. You may drop your child off at breakfast club any time up until 8.30am, when we close our doors. This is to ensure safeguarding of the children and also allows plenty of time for children to order and eat their breakfast.

On arrival children can enjoy a variety of options for breakfast, our breakfast menu is listed below. Once the children have eaten, they may then choose to play with the toys and games we have available. We do have an opportunity to have some play time outside, weather permitting! Children are well supervised at all times. At 8:40 KS1 are escorted to their classroom where they are met by their class teacher ready to start the school day. KS2 will walk themselves to their classroom.

There is plenty of opportunity for outside play and we have full use of all play areas including the Ozone and the play equipment.

From 5pm, whilst the children are waiting for collection by parents/carers, they are allowed access to the computers and TV which are monitored by the staff at all times.

You can pick your child up from ASC anytime from 4:30 when the side gate is open . If you'd like to pick up before 4:30 please speak to Mrs Bradley.

Both breakfast club and after school club have a unique feel about them and are hugely popular. It is always encouraging to see children of different age ranges sitting together whilst eating or playing board games. Our older children look out for the younger ones and good bonds and friendships are formed between the children.
